MEMORANDUM FOR MR. DULLES

You had made the following notes at the PSB luncheon:

a. "Roger Kyes" - I assume this referred to the briefing you asked to be arranged for Mr. Kyes and Mr. Stassen. These arrangements are being made.

e. [] - You apparently left the original memorandum with Mr. Kyes: Mr. [] has the copies and related memoranda.

f. "Part III dropped. Might cause them to draw together" - With this exception I assume that you have no further textual changes on the basic [] psychological paper.

g. "Cancelling radio contract"

h. "Look at NSC paper on defection"
